In the original publication of the article.

The sentence (line 3) in the section “Results-Palynostratigraphic framework-Datta Formation was incorrectly published as: “In the study area, the rock unit is overlain disconformably by the Triassic Kingriali Formation and underlain conformably by the Samana Suk Formation”.

The correct sentence should read as “In the study area, the rock unit has lower disconformable contact with Triassic

Kingriali Formation while upper conformable contact with Jurassic Shinawari Formation.”
