

Acknowledgement to Referees

© King Abdulaziz City for Science and Technology 2013

The Chief Editors and the Editorial Board thank the reviewers listed below for their contribution and time-consuming efforts in refereeing papers submitted to 3 Biotech in 2012. Their timely response and critical

comments have not only assisted us in the selection of high-quality scientific work, but their critique is also appreciated by authors as it frequently assists them to improve the style and content of their publications.
