Correction to: Genes & Genomics
<https://doi.org/10.1007/s13258-021-01112-0>

In the original publication of the article, the "Graphical abstract B" was asked to be removed but it has not been removed during proof corrections as informed by the author. This erratum now corrects the same.

The original article has also been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s13258-021-01112-0>.
