RETRACTED ARTICLE: Tumor Biol.
DOI 10.1007/s13277-015-4000-3

This article has been retracted at the request of the Editor-in-Chief, the International Society of Oncology and BioMarkers (ISOBM) and the Publisher per the Committee on Publication Ethics guidelines. The article shows evidence of irregularities in authorship during the submission process, there is strong reason to believe that the peer review process was compromised and there are similarities with the following articles which were all submitted within a close timeframe:

Afshin Taheri Azam & Reza Bahador & Hamid Hesarikia & Mohammadreza Shakeri & Ali Yeganeh, Down-regulation of
