The following correction should be noted to the caption for Fig. 5 in the article as original published:

"...the percentage of BrdU+ cells (red) differentiating into the mature neurons (green, NeuN; **C, c1, E**)."

should have read

"...the percentage of BrdU+ cells (green) differentiating into the mature neurons (red, NeuN; **C, c1, E**)."

The original article has been corrected.
