### Erratum to: Diabetol Int DOI 10.1007/s13340-017-0304-4

Owing to an unfortunate mistake at the typesetter end, the text including the subheading “Statins and insulin sensitivity” was transposed incorrectly under the heading “Beta cell insulin secretion and exocytosis”. It should be under the heading “Impact on insulin secretion and glucose homeostasis by statins”.

The original article was corrected.
