In the original publication of the article, under the section “Treatment for obesity”, target weight was published incorrectly.

The correct sentence should read as below,

Target weight (kg)

Age 65–74 years old: $[\text{Height (m)}]^2 \times 22 \sim 25$.

Age ≥ 75 years old: $[\text{Height (m)}]^2 \times 22 \sim 25^*$.

In addition, first name of the author “Kohjiro Ueki” was incorrectly published as “Koujiro” and corrected in this correction article.
