In the original publication of the article, under the heading “Yield loss” in result section, the following sentence was published incorrectly as, “The highest yield losses (87.6% and 67.7%) were recorded for the 20 leafminer treatment in the laboratory and the field, respectively (Fig. 2d).”

The correct sentence should be as, “The highest yield losses (87.6% and 67.7%) were recorded for the 20 leafminer treatment in the laboratory and the field, respectively (Fig. 1d).”

The original article can be found online at <https://doi.org/10.1007/s13355-018-0572-x>.
