Erratum to: J. Am. Soc. Mass Spectrom.  
DOI 10.1007/s13361-011-0114-z

Scheme 1 was incorrectly duplicated as Figure 1 in the original version of the article. Figure 1 appears below. We regret this error.

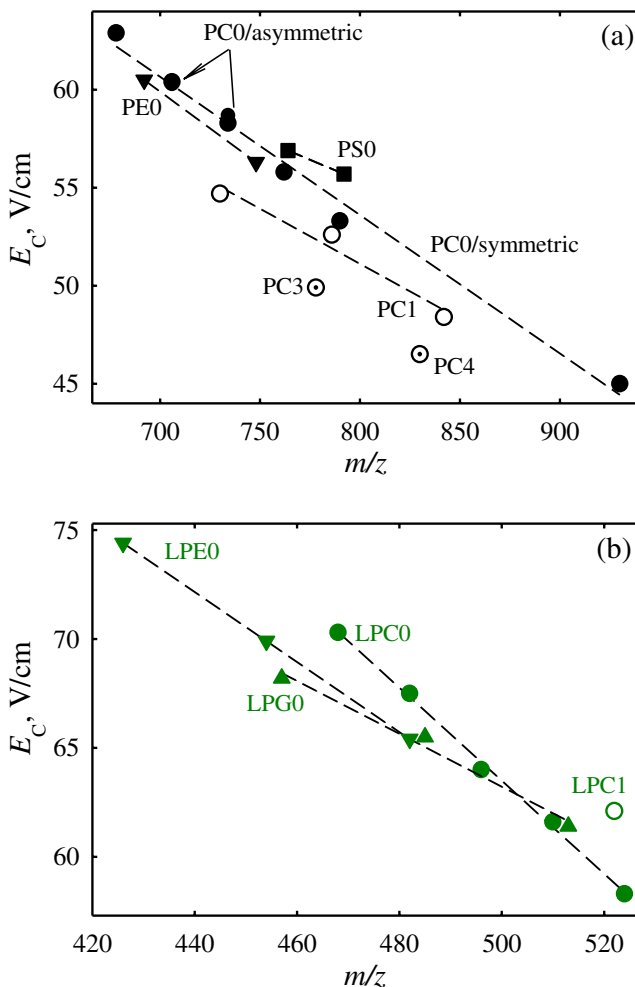

Figure 1. Measurements for phospholipids (a) and lysophospholipids (b): data (symbols) and linear regressions for categories with at least two points (lines). Filled symbols are for saturated lipids, empty symbols are for unsaturated ones, and the number after lipid classification indicates the degree of unsaturation
