Inaccurate grant information was shown in our recently published article. The correct acknowledgment is shown below. The authors regret this error.

## Acknowledgments

Portions of this research were supported by the U.S. Department of Energy (DOE) Office of Biological and Environmental Research Genome Sciences Program under the Pan-omics project, and the NIH National Institute of General Medical Sciences (GM103493 and GM103497). This work was performed in the Environmental Molecular Science Laboratory (EMSL), a DOE national scientific user facility at the Pacific Northwest National Laboratory (PNNL). PNNL is operated by Battelle for the DOE under contract DE-AC05-76RL0 1830.
