Correction to: Biomass Conversion and Biorefinery

<https://doi.org/10.1007/s13399-021-01664-x>

The original version of this article was lacking a reference to a previous study [2] conducted on the same sample and published by the same authors, from which part of the text from the characterization section was reused without citation.

The original article [1] has been updated to include this citation.
