Correction to: Biomass Conversion and Biorefinery
<https://doi.org/10.1007/s13399-021-01800-7>

In this article, reference 113 was incorrect and should have been Kępa K, Chaléat CM, Amiralian N, Batchelor W, Grøndahl L, Martin DJ (2019) Evaluation of properties and specific energy consumption of spinifex-derived lignocellulose fibers produced using different mechanical processes. *Cellulose* 26: 6555–6569.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s13399-021-01800-7>.
