Retraction Note: Cellular Oncology

<https://doi.org/10.1007/s13402-019-00461-z>

The Editor-in-Chief has retracted this article. After publication, the corresponding author stated that he has been unable to reproduce the targeting relationship between miR-34a and MYCN in animal experiments. Additionally, the authors have been unable to provide documents confirming that ethics approval was obtained for this study. The Editor-in-Chief therefore considers the data reported in this the

article to be unreliable. The authors have not responded to correspondence regarding this retraction notice.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
