Correction to: Dermatol Ther (Heidelb) (2020) 10:63–71
<https://doi.org/10.1007/s13555-020-00354-2>

The authors would like to correct the error in publication which is mentioned below.

On the third paragraph of PSYCHOLOGICAL COMORBIDITY, at the beginning of the second column, the references in the sentence “Risk factors for sexual dysfunction for women were education status, disease activity, pain and odor, and lack of a stable relationship; and for men the risk factors were increasing age, active genital lesion and number of active areas” are incorrect. The correct reference for this data is:
