Correction to: Dermatol Ther (Heidelb) <https://doi.org/10.1007/s13555-020-00373-z>

The authors would like to correct the error in Table 1, where under HBV/HCV it reads as follows:

The “immunosuppressive” should be revised to “antiviral” for clarity with the rest of the statement in the table. Hence, the line should be corrected as follows:

- **HBV/HCV:** Antiviral therapies must be given prior to secukinumab...
