Correction to: Iranian Polymer Journal (2021) 30:423–444
<https://doi.org/10.1007/s13726-021-00901-4>

The article title originally read “Highly porous cellulosic nanocomposite membranes with enhanced performance for forward osmosis desalination”. This has been corrected to “Enhancing the performance of highly porous cellulose based nanocomposite membrane for possible application in forward osmosis desalination” in this correction.

The original article can be found online at <https://doi.org/10.1007/s13726-021-00901-4>.
