Correction to: CEN Case Reports (2020) 9:200–203
<https://doi.org/10.1007/s13730-020-00455-z>

In the original publication of the article, while submitting the case report, the age of the patient at the time of first kidney transplantation was incorrectly mentioned as 12 years. However, the correct age of the patient should read as 17 years”.
