Correction to:

Acta Metallurgica Sinica (English Letters)
(2020) 33:135–146
<https://doi.org/10.1007/s40195-019-00951-x>

The authors regret that we misused the dimensions of the tensile samples when drawing the stress–strain curves as shown in Fig. 13(a) in the original paper. This leads to the miscalculated values of the Fig. 13(a) stress–strain curves. The original data of the tensile experiments have been checked, and the correct figure is provided in this correction as below.

The authors ensure that the mentioned corrections do not have any impact on the findings, concepts, or understanding of the original paper.

The authors would like to apologize for any inconvenience caused.

Corrected Fig. 13:
