Retraction to: Chem. Res. Chin. Univ.

doi: 10.1007/s40242-014-4183-y

This article is retracted because the corresponding author XU Youjun was put as the corresponding author without knowing anything before its publication. All were arranged by the first author, Mr. FENG Deri, in abnormal ways. Hence all other authors and XU state here that this paper has no relation with other authors and with Xu's working university. XU also states that he has never used "xuyoujun65@163.com" as corresponding author contact email.

Therefore XU declares that the paper should be withdrawn from the journal as soon as possible in case any negative effects on other authors and on this journal.

The online version of the original article can be found at
<http://dx.doi.org/10.1007/s40242-014-4183-y>.
