An Online First version of this article was made available at <http://link.springer.com/journal/40258/onlineFirst/page/1> on 19 Jan 2017. However, there was an error in Fig. 2. Although the figure was correct in the original manuscript, an error was introduced while replacing it with a higher resolution file during the production of the article. The article has now been updated with a corrected version of Fig. 2, which is also provided in this erratum.
