In this article the “Authors’ Contributions” text has been incorrectly given as

Authors’ Contributions

Siyuan Liu conceptualized and designed the study, conducted the systematic literature review and literature analysis, interpreted the findings, and prepared the first draft of the manuscript. Paul J. Veugelers critically reviewed the manuscript and provided valuable comments. Chunhao Liu contributed to screening and selection of the articles in the systematic review process. Arto Ohinmaa conceptualized and designed this study and critically reviewed the manuscript. All authors approved the final version of the article.

It should have been

Authors’ Contributions

Siyuan Liu conducted the systematic review of the literature and the meta analysis, interpreted the findings, and prepared the first draft of the manuscript. Chunhao Liu contributed to the screening and selection of articles as part of the systematic review. Paul J. Veugelers and Arto Ohinmaa conceptualized the research topic, advised on the literature search and interpretation of the findings, and critically reviewed the manuscript. All authors approved the final versions as submitted.

The original article has been corrected.
