Dear Readers

Before we look ahead to 2024, I would like to reflect on 2023 and thank everyone who has made it another successful year for *Applied Health Economics and Health Policy*. Firstly, thank you to all the authors who have chosen to publish their papers with us. I've been impressed with the quality and variety of the articles we've had the privilege of publishing.

Moreover, I take this opportunity to acknowledge the peer reviewers whose efforts have ensured the quality of our articles. Thank you to the following people who have reviewed for the journal in the past 12 months.
