The article AVT02: An Adalimumab Biosimilar, written by Connie Kang, was originally published Online First without Open Access. After publication in volume 42, issue 10, page 875–878 Alvotech R&D Switzerland requested that the article be Open Choice and to make the article an Open Access publication. Post-publication open access was funded by Alvotech R&D Switzerland. The article is forthwith distributed under a Creative Commons Attribution-NonCommercial 4.0 International License, which permits any non-commercial use, sharing, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons licence, and indicate if changes were made. The images or other third party material in this article are included in the article's Creative Commons licence, unless indicated otherwise in a credit line to the material. If material is not included in the article's Creative Commons licence and your intended use is

not permitted by statutory regulation or exceeds the permitted use, you will need to obtain permission directly from the copyright holder. To view a copy of this licence, visit <http://creativecommons.org/licenses/by-nc/4.0/>.

The original article has been corrected.
