### Correction to: Drugs (2023)

<https://doi.org/10.1007/s40265-023-01869-6>

The title that reads

Interleukin-6 Receptor Inhibitors and long COVID

Should read

Comment on: 'Should We Interfere with the Interleukin-6 Receptor During COVID-19: What Do We Know?'

The original article has been corrected.
