Correction to: Drugs & Therapy Perspectives
<https://doi.org/10.1007/s40267-020-00762-6>

While typesetting the article the word “physician” has been inadvertently deleted.

The correct title has been given below:

Adverse drug reaction reporting in Canada: consumer versus physician reports

The original article has been updated.

The original article can be found online at <https://doi.org/10.1007/s40267-020-00762-6>.
