

## Acknowledgement to Referees

© The Author(s) 2023

Dear Reader,

Welcome to the final issue of *Drugs in R&D* for 2023.

I would like to reflect on this year's achievements and to thank all those who have contributed their valuable time and effort to the journal over the past 12 months.

I would like to start by thanking the authors of the articles published in *Drugs in R&D* over the course of 2023. The skill and dedication of these experts is critical to the continued success of the journal.

The high quality of articles published in the journal has been reflected in the most recent Impact Factor of 3.0 and CiteScore of 5.2.

I gratefully acknowledge all of the members of the journal's Honorary Editorial Board, who have acted as peer reviewers and authors, and have provided guidance on journal content, policy and processes:
