

## Acknowledgement to Referees

© Springer Nature Switzerland AG 2022

Dear Reader

We would like to take this opportunity to thank all who have contributed to ensuring the continued success of the journal in 2022.

We would like to start by thanking the authors of the articles published in *The Patient* over the course of 2022. The willingness and enthusiasm of our authors to contribute content to the journal are crucial for its continued success.

The quality of published articles is also testament to the diligence of the peer reviewers, whose willingness to share their expertise ensures that the journal's content is held to the highest standard. We would like to acknowledge the following individuals who acted as reviewers for *The Patient* in the last 12 months:

James S. Andrews, USA

Gesa Benz, Germany

Marco Boeri, UK

Ann Borda, Australia

Melanie Brinkmann, Germany

We are also very grateful to the members of the journal's Honorary Editorial Board, who have acted as peer reviewers and authors, and have provided guidance on journal content, policy and processes. Seven new members were appointed this year:

**Vanita Chamdal**, University of London, UK  
**Gillian R. Currie**, University of Calgary, Canada  
**Mihir Gandhi**, Duke-NUS Medical School, Singapore  
**Mark Harrison**, University of British Columbia, Canada  
**Luis Lizán**, Universitat Jaume I, Spain  
**Carol Mansfield**, Research Triangle Institute, USA  
**Fern Terris-Prestholt**, London School of Hygiene and Tropical Medicine, UK

Finally, I would like to thank the *International Academy of Health Preference Research* for their continued recognition of *The Patient* as an official journal of the Academy.

With best wishes,  
Christopher Carswell  
Editor in Chief
