Correction to: Sports Medicine
<https://doi.org/10.1007/s40279-020-01354-0>

Within the abstract, the following sentence: “Using the fully adjusted estimates of risks, active commuting decreased all-cause mortality by 9% (95% confidence intervals 3–9%), and cardiovascular mortality by 15% (3–27%) ($p < 0.001$).” should be written as “Using the fully adjusted estimates of risks, active commuting decreased all-cause mortality by 9% (95% confidence intervals 3–15%), and cardiovascular mortality by 15% (3–27%) ($p < 0.001$).”

The original article has been updated.
