Correction to: The Journal of the Astronautical Sciences.
<https://doi.org/10.1007/s40295-019-00198-9>

In the original article, the sentence below the eq. (13) had an incorrect “a” value. The corrected sentence is shown below:

“The sample time interval T is $1/100$ s, $a = 8.8$, $\zeta = 0.5$, and $\omega_0 = 37$.”

The online version of the original article can be found at <https://doi.org/10.1007/s40295-019-00198-9>
