Correction to: Journal of the Operations Research Society of China
<https://doi.org/10.1007/s40305-021-00354-9>

The original version of this article unfortunately contained numerous spelling mistakes on its second and third page. These were caused entirely by a technical defect on our side that sadly remained undetected. The original article was corrected.

The publisher apologises for this mistake.

The original article can be found online at <https://doi.org/10.1007/s40305-021-00354-9>.
