The original version of this article contained a mistake. The “Conflict of interest” is incorrect. The correct text is given below:

Conflict of interest: The authors would like to report non support (ie. cement materials free of charge) from Septodont, France during the conduct of the study. Outside of the submitted work, the authors received materials free of charge for educational courses and Dr. Martens, Dr. Rajasekharan and Dr Cauwels report personal fees (honoraria/lecture fees)

and research grants from Septodont, France negotiated with the Ghent University. The funders had no role in the design of studies; in the collection, analyses, or interpretation of data; in the writing of the manuscripts, or in the decision to publish the results.
