Correction to: *Review Journal of Autism and Developmental Disorders*

<https://doi.org/10.1007/s40489-024-00457-y>

The manuscript is missing the statement about funding, which was erased in the process of preparing a blinded version of manuscript, and authors later forgot to re-add it. It should be placed at the end of the manuscript before References and should read: “*This research was funded by the Slovak Research and Development Agency, grant numbers APVV-20-0070 and APVV 20-0139.*”. Sincere apologies for the inconvenience caused.
