Author Correction: Current Pharmacology Reports

<https://doi.org/10.1007/s40495-019-00187-4>

The original version of this article contained a mistake. The statement “VSL#3 (commercialized as Visbiome®)” is not correct. VSL#3® is not commercialized under the brand Visbiome®. It is currently available in the market with the same brand and is being sold in more than 30 countries. VSL#3® is the proper labeling of the product.

The authors apologize for this oversight and for any confusion it may have caused.
