### Correction to: Current Environmental Health Reports <https://doi.org/10.1007/s40572-018-0200-5>

Unfortunately, the original publication of this article contained mistakes. The publisher introduced an error after proofreading where the name of the co-author was mistakenly captured as “David P. E. Harvey”. The correct name should be “David E. Harvey”.

The original article has been corrected.
