Correction to: Current Clinical Microbiology Reports <https://doi.org/10.1007/s40588-019-00135-2>

Publisher Correction: During the production process, the documents provided by the authors were inaccurately merged. As a result, all 15 references provided in the tables of the article 10.1007/s40588-019-00135-2 are wrong. The authors identified the error during the proof stage; however, the requested changes were not incorporated in the final

published version. Likewise, some other corrections requested by the authors in the proof process remained unchanged in the published version of the manuscript. The publisher apologizes and takes full responsibility for the problems that result in the changes to the original article.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s40588-019-00135-2>
