<https://doi.org/10.1007/s40593-020-00213-3>

The corrected Fig. 6 is provided below. While generating higher quality figures for publication, an error was made in this figure where the numbers for the *Unproductive - Low Effort - Low HJR* (red) and *Productive - High Effort - High HJR* (green) were interchanged. The graph below shows that majority of the Assertions-Low group students are in the *Productive - High Effort - High HJR* cluster.
