Correction to: *Journal of Nephrology* (2021) 34:1631–1639
<https://doi.org/10.1007/s40620-021-01049-3>

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The originally published article contains the subtitle of “This is the study for kidney and pregnancy...”.

Since the article already part of topical collection “Obstetric Nephrology”. Hence the subtitle is not necessary.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s40620-021-01049-3>.
