Correction to:

Allergo J Int 2018
<https://doi.org/10.1007/s40629-018-0078-7>

An error was identified in the review on “Air pollutants and primary allergy prevention”. The given PM_{2.5} increment of 2 µg/m³ was wrong and should be replaced with an increment of 5 µg/m³.

This was the case on:

- Page 9, legend of Fig. 1
- Page 9, section on “Asthma”
- Page 11, Section on “Allergic rhinitis”
- Page 11, Legend of Fig. 3
- Page 11, Section on “Allergic sensitization”

The online version of the original article can be found under
