Welcome to the first issue of *Medical Science Educator* of 2022. The current issue features a large number of manuscripts reporting on medical education, which I hope will be of interest to you. Last year the journal received more submissions than the years before, and as Editorial Board we are very pleased with this increasing interest. If you want to join our team on this exciting journey by becoming a reviewer for our journal, please let us know by email to [journal@iamse.org](mailto:journal@iamse.org) as we highly appreciate your help!

I hope you will enjoy this issue and that you will continue supporting *Medical Science Educator* both as a reader and

as an author of your own scholarly work for the benefit of our work and the work of others!

Peter G.M. de Jong, PhD  
Editor-in-Chief
