*Because of the COVID-19 pandemic, many meetings in healthcare education have been canceled or postponed. The following overview might contain incorrect information as the situation changes rapidly. Please look at the organization websites for the latest details.*

### **IAMSE Annual Meeting**

**Denver (CO), USA, June 4–7, 2022**

The International Association of Medical Science Educators (IAMSE) will hold their 26th Annual IAMSE Conference at the Hilton Denver City Center in Denver, CO, USA, from June 4 to 7, 2022. The IAMSE meeting offers opportunities for faculty and student development and networking, bringing together medical sciences and medical education across the continuum of healthcare education. IAMSE will offer both in-person and virtual registration options allowing authors the opportunity to choose their method of participation. All accepted poster and oral presentations will be available to both virtual and live attendees. For more information as well as registration, please visit the website [www.iamseconference.org](http://www.iamseconference.org).

### **AMFEM 2022 VII International Conference on Medical Education & VI International Conference on Simulation in Medical Education**

**Puerto Vallarta, Mexico, June 14–18, 2022**

Biannual meeting of the Mexican Association of Medical Schools. Theme of the meeting: The new virtual reality: Challenges and opportunities for health education. For more information, see <https://eventos-amfem.mx/en-index.html>.

### **ASME Annual Scholarship Meeting**

**Aberdeen, Scotland, UK, July 6–8, 2022**

The Annual Scholarship Meeting 2022 — Future proof medical education: Practical wisdom and adapting to change — is being scheduled for July 6–8, 2022, at the P&J Live event complex in Aberdeen, Scotland. For more information, see <https://www.asme.org.uk/events/asm2022#aberdeen>.

### **ANZAHPE Festival 2022**

**July 8–19, 2022**

The Australian & New Zealand Association for Health Professional Educators ANZAHPE is pleased to welcome you to an in-person networking day on July 8, and three days of virtual sessions on July 11, 13, and 19, 2022. Along with celebrating our Health Professional Education partnerships, the opening to the ANZAHPE Festival will include a special 50th anniversary celebration simultaneously at local hubs around Australia, New Zealand, and beyond. The virtual Festival will offer the same rich content and broad range of presentation platforms as past face-to-face meetings and will be delivered through a state-of-the-art and easy to use virtual community platform. For more information, please visit <https://eventstudio.eventsair.com/anzahpe-2022/>.

### **AMEE & Ottawa meeting 2022**

**Lyon, France, August 26–31, 2022**

AMEE 2022 and Ottawa 2022 take place as sequential Conferences at Lyon Congress Centre, France. Ottawa 2022 — Reimagining Assessment Across the Continuum — runs from 26 to 28 August, and AMEE 2022 — Redefining

Health Professions Education Together — from 27 to 31 August. Whether you are new to health professions education and assessment or have a wealth of experience, join with colleagues from around the world to learn, share, network, and help define the future of health professions education and assessment. Attend either or both Conferences, and come to Lyon to enjoy meeting in person after such a long enforced absence! If you can't travel to Lyon, participate in the conferences remotely, including an option to present in your own time zone. Registration is open and the early registration deadline is May 31, 2022. More information can be found at <https://www.amee.org/conferences/amee-2022> and <https://www.ottawaconference.org/ottawa-2022>. For general information, see [www.amee.org](http://www.amee.org).

### **PAEA Education Forum**

**San Diego (CA), USA, October 12–15, 2022**

The PAEA Education Forum is an annual event held each fall, designed to serve PA educators in every discipline of the profession. The event offers educational sessions, inspiring keynote presentations, and the opportunity for attendees to connect with colleagues from across the nation. For more information, see <https://paeaonline.org/resources/public-resources/events/paea-education-forum>.

### **IMEC 2022 Reshaping Health Professions Education for Equity, Inclusivity and Diversity**

**Kuala Lumpur, Malaysia, October 14–16, 2022**

The International Medical Education Conference (IMEC) is a forum for forging and renewing friendships between educators of healthcare professions from around the world; a platform to exchange ideas and experience and showcase innovations. IMEC 2022 has lined up an exciting program that will explore on the Reshaping Health Professions Education for Equity, Inclusivity and Diversity. The conference will be preceded by several pre-conference workshops on 14 of October 2022. The main conference on 15 and 16 October 2022 will commence with a keynote, followed by plenaries, symposia, panel discussions, and oral and E-poster presentations that inspirational speakers from many regions will share. For more information, visit <https://www.imu.edu.my/events/imec>.
