Because of the COVID-19 pandemic, many meetings in health care education have been canceled or postponed. The following overview might contain incorrect information as the situation changes rapidly. Please look at the organizations websites for the latest details.

AMEE & Ottawa meeting 2022

Lyon, France, August 26-31, 2022

AMEE 2022 and Ottawa 2022 take place as sequential Conferences at Lyon Congress Centre, France. Ottawa 2022 – Reimagining Assessment Across the Continuum – runs from 26–28 August, and AMEE 2022 – Redefining Health Professions Education Together – from 27–31 August. Whether you are new to health professions education and assessment or have a wealth of experience, join with colleagues from around the world to learn, share, network and help define the future of health professions education and assessment. Attend either or both Conferences, and come to Lyon to enjoy meeting in person after such a long enforced absence! If you can't travel to Lyon, participate in the conferences remotely, including an option to present in your own time zone. Registration is open. More information can be found at <https://www.amee.org/conferences/amee-2022> and <https://www.ottawaconference.org/ottawa-2022>. For general information see www.amee.org.

2022 Innovations in Healthcare Education Research (IHER) Conference

Milwaukee, WI, USA, September 20–22, 2022

The MCW Office of Academic Affairs invites you to save the date for the 2022 Innovations in Healthcare Education Research (IHER) Conference. Join us for three days to engage in workshops, presentations, poster sessions, ignite sessions, roundtables, and even a virtual reality poster session. The

theme of this year's meeting is Healthcare Education: Built for the Future. There is no cost to attend and registration will open September 1. The meeting will take place online and/or at the Medical College of Wisconsin, 8701 Watertown Plank Rd, Milwaukee, WI 53,226, USA depending on prevailing conditions. For more information please visit the 2022 IHER Early Website: <https://www.mcw.edu/IHER2022>

PAEA Education Forum

San Diego (CA), USA, October 12–15, 2022

The PAEA Education Forum is an annual event held each fall, designed to serve PA educators in every discipline of the profession. The event offers educational sessions, inspiring keynote presentations, and the opportunity for attendees to connect with colleagues from across the nation. For more information see <https://paeaonline.org/resources/public-resources/events/paea-education-forum>

IMEC 2022 Reshaping Health Professions Education for Equity, Inclusivity and Diversity

Kuala Lumpur, Malaysia, October 14–16, 2022

The International Medical Education Conference (IMEC) is a forum for forging and renewing friendships between educators of healthcare professions from around the world; a platform to exchange ideas and experience and showcase innovations. IMEC 2022 has lined up an exciting program that will explore on the Reshaping Health Professions Education for Equity, Inclusivity and Diversity. The conference will be preceded by several pre-conference workshops on 14 of October 2022. The main conference on 15 and 16 October 2022 will commence with a keynote, followed by plenaries, symposia, panel discussions, and oral and E-poster presentations that inspirational speakers from many regions will

share. For more information visit <https://www.imu.edu.my/events/imec>

The Generalists in Medical Education

Nashville, TN, USA, November 10–11, 2022

The meeting welcomes basic scientists, clinicians, and other educators interested in medical education. We are educators who teach, conduct research, and provide support services in all areas of predoctoral, postdoctoral and continuing medical education and health professions education. Specific areas of interest include curriculum and faculty development, testing and evaluation, and student services. At each annual conference, we exchange ideas and knowledge to enhance our professional growth. Each conference offers opportunities to develop understandings of the latest initiatives and innovations in medical education and to explore solutions to educational problems. For more information see <https://thegeneralists.org/>

Learn Serve Lead, AAMC meeting 2022

Nashville, TN, USA, November 11–15, 2022

Learn Serve Lead is the premier AAMC learning and networking event. It inspires, empowers, and fosters a community of individuals and institutions committed to improving the health of all people through academic medicine. This annual meeting will be an exceptional forum where educators, students, residents, researchers, clinicians, administrators, and health system leaders can build professional connections, expand collaborations, and take part in thought-provoking discussions.
