Welcome to the first issue of *Medical Science Educator* of 2023. For the upcoming year we look forward to receiving again your high quality manuscripts in the field of health profession education. The current issue features a large number of manuscripts which I hope will be of interest to you.

In the last year we welcomed several new reviewers to participate in our scholarly endeavor. If you also want to join our team by becoming a reviewer for our journal, please let us know by email to [journal@iamse.org](mailto:journal@iamse.org) as we highly appreciate your help! As a new reviewer you will be invited to attend our free of charge dedicated faculty development program exclusively for our reviewers.

I hope you will enjoy this issue and that you will continue supporting *Medical Science Educator* both as a reader and as an author of your own scholarly work for the benefit of our work and the work of others!
