## Correction to:

**International Journal of Precision Engineering and Manufacturing-Green Technology**  
<https://doi.org/10.1007/s40684-021-00399-4>

Due to an unfortunate oversight the Declaration section has been omitted. It should be read:

## Acknowledgements

This work was supported by KITECH general project grant (#EH210006) from Korea Ministry of Economy and Finance in 2020.

## Declarations

## Conflict of interest

The authors declare that they have no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.

## Data availability

The raw/processed data to regenerate the findings cannot be shared due to copyright reasons.
