Correction to: Current Forestry Reports

<https://doi.org/10.1007/s40725-021-00153-8>

The article “Trafficability Prediction Using Depth-to-Water Maps: the Status of Application in Northern and Central European Forestry” was originally published electronically on the publisher’s internet portal on 8 January 2022 with error on Figure 2 – Panel A legend. The legend contains two green boxes, of which one (“partly openly available high resolution DTM”) should be green and black striped. The original article has been corrected.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s40725-021-00153-8>
