**Correction to: Journal of Religious Education (2022) 70:261–272**  
<https://doi.org/10.1007/s40839-022-00180-y>

On page 264, in the sentence beginning ‘She also carried out paired interviews...’ in this article, the text states that interviews were conducted ‘with the parents of fifteen of these children per school (N = 45).’ This is incorrect, and should have read interviews were conducted ‘with the parent(s)/carers of 13–15 children per school (N = 55).’
