Correction to: Technology and Economics of Smart Grids and Sustainable Energy (2018) 3: 15
<https://doi.org/10.1007/s40866-018-0052-y>

When discussing the development of MAS for Smart Grid and the advantages of distributed MAS over centralized control in the text of this article [1] and describing MAS tools in Table 2, we inadvertently used text from a previous article by Merabet and colleagues [2] and omitted a citation.

We apologize for the lack of clear attribution.
