The Chief Editors have retracted this article. After publication, it was brought to the attention of the Chief Editors that Fig. 7 of this article is identical to Fig. 19 of a previously published article [1] from a different author group. Ramin Tabatabaei Mirhosseini does not agree to this retraction. Ehsan Araghizadeh, Soroush Rashidi, and Mohsen Malaki Nejad have not responded to any correspondence from the publisher about this retraction.
