The article "Density and thermal expansion coefficients of liquid and austenite phase in lamellar cast iron", written by **Kristina Hellström, Vasile-Lucian Diaconu, Attila Diószegi**, was originally published Online First without Open Access. After publication in volume 17, issue 2, page 127-136, the author decided to opt for Open Choice and to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s) [2020] and the article is forthwith distributed under the terms of the Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>), which permits use, duplication, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license, and indicate if changes were made.

The original version of this article was revised due to a retrospective Open Access order.
