Correction to: Journal of Plant Diseases and Protection
<https://doi.org/10.1007/s41348-020-00339-5>

The names of the varieties cultivated in the two study regions were given wrongly in the Materials and Methods section. The correct names are as follows.

Varieties used in Essaida (Northern Tunisia, Governorate of Manouba): “Blanc Oranais” and “Violet d’Hyères”

Variety used in Sidi-Thabet (Northern Tunisia, Governorate of Ariana): “Violet d’Hyères”

The authors apologize for the mistake.
