Correction to: NUCL SCI TECH

<https://doi.org/10.1007/s41365-021-00956-1>

Following publication of the original article, Formula (2) is missing and Fig. 11, Fig. 9 are identical.

The original article has been corrected and the Publisher apologized to the authors and the readers for the inconvenience caused by this error.

The corrected version of Formula (2) and Fig. 11 are given below:

$$E_p = \begin{cases} \frac{d_n}{N^{1/3}} + \frac{d_p}{Z^{1/3}} + \frac{d_{np}}{A^{2/3}}, & \text{for } Z \text{ and } N \text{ odd,} \\ \frac{d_p}{Z^{1/3}}, & \text{for } Z \text{ odd, } N \text{ even,} \\ \frac{d_n}{N^{1/3}}, & \text{for } Z \text{ even, } N \text{ odd,} \\ 0, & \text{for } Z \text{ and } N \text{ even.} \end{cases} \quad (2)$$
